Please find attached the responses to your request.

Information sent by email 17.1.2012.

The answers to questions one and two can be found in PDF - Cancer FOI 011030

I am sorry for the delay.

I have attached the responses to your questions 1 and 2 however, I am awaiting for the information from the Pharmacy Department for question 3.

I hopefully will have this information tomorrow.

The Trust does not have a mechanism to account for patient numbers as treatment can be initiated at any stage of the treatment journey and the Trust does not have an electronic prescribing system to capture each of these field easily. Sometimes GP's will initiate treatment from the advice notes sent by the Trust consultants.
