## So you are interesting in skydiving?

Would you like to make a sponsored 10,000 feet freefall parachute jump on our behalf? Did you know that, if you raise enough sponsorship, you will be able to do it for free! You can even choose an area of care within the hospital to support if you wish.

Everything you need is enclosed in this pack including your reservation form and sponsorship forms and we've made everything as easy as possible for you to take part.

Dudley Group NHS Charity is a registered charity which endeavours to improve our patients experience whilst being treated by us. As you will see from the enclosed literature we ask you to raise £395 in sponsorship money in order for you to jump for free and in turn we will receive an average donation of £140. In addition to this, every extra pound that you raise over the minimum comes straight to the charity, so please try to raise as much as you possibly can!

The enclosed information has been written by professional events organisers Skyline who receive a flat rate per jumper for organising the jumps for us. Skyline specialise in organising fundraising events for charities so if you have any questions please ring them directly as they are in the best position to answer your questions - you can contact them on 020 7424 5522.

We sincerely hope that after you have read through this information pack you will decide to give it a go. We are in desperate need of funds in order to continue our work and don't forget, all you have to do is raise the minimum amount of sponsorship and you will get to jump for free!

Good luck with raising your sponsorship and we look forward to hearing from you soon.

Yours sincerely

# 10,000 FT FREEFALL PARACHUTE JUMP!

## What is it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help your favourite charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

## What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

# 10,000 FT FREEFALL PARACHUTE JUMP! CONTINUED

## Points to remember:

- Jump and training completed in one day
- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 feet - just like the professionals
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone
- Landing controlled by your instructor
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

## What must I do to qualify for a free jump?

All you have to do is raise £395\* (or more!) for Dudley Group NHS Charity by asking your friends and colleagues to sponsor you, using the specially designed sponsorship forms which you can obtain by contacting the Dudley Group NHS Charity directly. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £395 sponsorship and remember, every penny you raise over the minimum will be further contributing to Dudley Group NHS Charity and giving you the chance to make an exhilarating freefall parachute jump for FREE!

*\* For airfields based in Scotland and Northern Ireland the minimum sponsorship level for a tandem skydive is £450*

## What do I do next?

# IMPORTANT INFORMATION

## **When can I jump?**

Mainly jumps are organised around a weekend, but some weekdays may be available. If you call the number below you can discuss available dates. Alternatively there is a section on the website which indicates when each airfield is open, but not individual dates.

## **Where is the airfield?**

The British Parachute Association approved centres that we use are located across the UK and are indicated on the enclosed map. Once we have received your reservation form we will do our best to place you at your nearest available centre but if this is not possible we will contact you to discuss the alternatives.

## **Are there any restrictions on age or health?**

For a tandem skydive you must be at least 16 years old and be under 15 stone in weight. Please note some centres have lower weight limits - please contact us for details. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

*Pre-existing physical conditions will not necessarily prevent you from taking part but please inform Skyline of any physical condition as this may affect the location of your jump. If you are in any doubt then please contact us for further information.*

# PAYING YOUR SPONSORSHIP MONEY

## Tandem Skydive

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. At all airfields you must pay for your jump and training on the day but your money to charity is not due until four weeks after you have completed your jump. Remember, as long as you raise the minimum sponsorship level for your jump (£395\* for a tandem jump), you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

*\* For airfields based in Scotland and Northern Ireland the minimum sponsorship level for a tandem skydive is £450*

## Booking Deposit

Whichever airfield you jump at you must provide the standard £70 booking deposit which must be sent in advance but can be taken out of the minimum sponsorship that you raise.

## Tandem Skydive

Payment for your jump will be required on the day which varies from airfield to airfield but is generally between £170-£220. You must also provide the remaining sponsorship money due to the charity but this can be postdated by up to four weeks. This postdated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to the charity. Precise instructions on how to operate the above system (including how much to pay your local airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your reservation form and booking deposit.

**NOTE:** We cannot start organising your jump for you until you send in your reservation form and appropriate booking deposit - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!

However, the standard booking deposit is valid for twelve months from the date of booking and should you be unable to complete your jump due to inclement weather alternative arrangements will be made. This fee is payable to Skyline Promotions Ltd and covers various costs including without limitation assisting you to find an airfield where you may carry out your jump .
5. Should you cancel or postpone your jump within 2 weeks of your jump date, or fail to attend the airfield on your jump date, a fee of £50 will be charged to the same credit/debit card that you supplied for your initial deposit payment. This fee is in addition to the standard booking deposit and is not in any way deductible from any sponsorship money raised for charity.
6. Skyline Promotions Ltd in consideration of the payment of the booking deposit will take all reasonable steps to arrange your jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd acts as your agent in arranging for your jump and not as the agent for the parachute centre. Skyline Promotions Ltd use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.
7. We will begin to arrange your parachute jump on your behalf as soon as we have sent you a confirmation email informing you that your booking has been received. By agreeing that our service starts immediately you are waiving any cancellation rights due to you under the Distance Selling Regulations
8. Any complaints should be made in writing to the address at the top of this agreement

The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. ### Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover you or your dependants for personal injury including death. You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate. You can do this either in conjunction with your own insurance broker or you may call us on the number below and we will send you a parachuting Personal Insurance Form. If in any doubt you should seek independent advice.
