

**FREEDOM OF INFORMATION ACT 2000 - Ref: FOI/010867**

I would be grateful if you would provide the following information under the FOI Act.

- 1) What for lighting exactly (specific model numbers) does the Trust use for: i) hospital ward ceilings, ii) floors and iii) bedside lamps?
- 2) For each hospital in the Trust, what was the annual electricity energy consumption (in KWH, figures for the last 5 years - if there are electricity metres purely for lighting, please include)
- 3) For each hospital in the Trust, was the annual bill for electricity (in pounds sterling, figures for the last 5 years if there are costs purely for lighting, please include)
- 4) The number of patient beds in each of the hospitals in the Trust (figures for the last 5 years)
- 5) The patient turnover in each hospital in the Trust (please include day surgery separately - figures for the last 5 years)

**Please find attached responses to your questions in two attachments.**

Further information about your rights is also available from the Information Commissioner at:

**THE DUDLEY GROUP OF HOSPITALS NHS FOUNDATION TRUST**  
**Freedom of Information request 010867**

Please find below responses to your questions 1 – 7.

1) What for lighting exactly (specific model numbers) does the Trust use for: i) hospital ward ceilings, ii) floors and iii) bedside lamps?

The most common ward lighting is Thorn CAT2 FTBZ318  
The most common floor lighting is Holophane HYDREL9700  
The most common bed lighting is Apollo AREZZO 200

2) For each hospital in the Trust, what was the annual electricity energy consumption (in KWH, figures for the last 5 years - if there are electricity metres purely for lighting, please include)

Total electricity consumption KWH:

	Russells Hall	Corbett	Guest
2010/11:	15151514	881581	321758
2009/10 :	14051301	815604	297308
2008/09:	14777781	890986	316057
2007/08:	13615948	896043	314703
2006/07:	12662702	765279	315965

3) For each hospital in the Trust, what was the annual bill for electricity (in pounds sterling, figures for the last 5 years if there are costs purely for lighting, please include)

The Trust does not hold this information. Energy bills are paid by our PFI Partner as part of a comprehensive Facilities Management Service. The full range of services is paid for by means of a single Unitary Payment and Tariff Adjuster Mechanism which does not identify these specific costs.”

4) The number of patient beds in each of the hospitals in the Trust (figures for the last 5 years)

5) The patient turnover in each hospital in the Trust (please include day surgery separately - figures for the last 5 years)
