STRUCTURE, GOVERNANCE AND MANAGEMENT

The Dudley Group NHS Foundation Trust consists of Russells Hall Hospital (Acute Hospital), Corbett Outpatient Centre and Guest Outpatient centre. The charitable funds are attributed in line with the Trust's Directorate structure. For example, charitable funds for medicine include Medical Wards, Leukaemia, Chest Clinic, Diabetes, Rheumatology, District Nurses, Rehabilitation and palliative care. The funds within Surgery include Ear, Nose and Throat (ENT), Ophthalmology, Surgical Wards, Breast Cancer Services, Audiology, Surgery and Theatres. Other funds are within Obstetrics, Gynaecology, Pathology, Critical Care, Neonatal Services, Cardiology, Gastro Intestinal Services, Renal Unit and Coronary Care. Adult Community Services include the District Nurse Teams Fund, Palliative Care, Audiology, Community Rehabilitation Fund (which includes Neurology) and the Community Heart Failure Team.

The Charity fund was established with the Charity Commission using the model declaration of trust and all funds held on trust as at the date of registration were classified as unrestricted funds or classified as designated funds under the main Charity. Subsequent donations and gifts received by the Charity that are attributable to the original funds are added to those fund balances within the existing Charity.

The Corporate Trustee fulfils its legal duty by ensuring that funds are spent in accordance with the objects of each fund. By designating funds the key aim of the Trustee is to serve the NHS Trust for the public benefit, it respects the wishes of our generous donors to support patient care and advance the good health and welfare of patients, visitors and staff. The Trustee have complied with their duty to have had regard to the Charity Commission's guidance on public benefit, with due regard for funding decisions to demonstrate public benefit in the Charity's work.

Non-Executive Members of the Trust Board are appointed by the Trust Governors. Executive members of the Board are subject to recruitment by the NHS Foundation Trust Board. Members of the Trust Board and the Charitable Funds Committee are not individual trustee under Charity Law but act as agents on behalf of the Corporate Trustee.

The newly appointed members of the Charitable Funds Committee are provided with an induction pack which provides information about the Charity, including the Charitable Funds Committee terms of reference, Trustees' Annual Report and Financial Statements, policies and minutes, and information about trusteeship, including Charity Commission booklet CC3, The Essential Trustee. The Chair gives new members of both the NHS Foundation Trust Board and the Charitable Funds Committee a briefing on the current policies and priorities for the charitable funds.

Acting for the Corporate Trustee, the Charitable Funds Committee is responsible for the overall management of the Charitable Fund. The Committee is required to:

- Control, manage and monitor the use of the fund's resources.
- Provide support and guidance for usage of funds, whilst managing and monitoring the receipt of all income.
- Ensure that 'best practice' is followed in the conduct of all its affairs fulfilling all of its legal responsibilities.
- Ensure that the Investment Policy approved by the NHS Foundation Trust Board as Corporate Trustee is adhered to and that performance is continually reviewed whilst being aware of ethical considerations.
- Keep the Trust Board fully informed on the activity, performance and risks of the Charity.

The Charitable Funds Committee was established in 2006/07 and reports to the Trust Board. The objectives of the committee are to control the management and administration of the Charity in accordance with the Charity's purposes and in line with the Charitable Funds Investment Policy. The committee will assist in the determination of the Charitable Funds Strategy ensuring that the Charity has all the hallmarks of an effective charity, as set out in the standards issued by the Charity Commission.

The accounting records and the day-to-day administration of the funds are dealt with by the Finance Department, Trust Headquarters, Russells Hall Hospital, Dudley, West Midlands, DY1 2HQ.

RISK MANAGEMENT

The risks to which the Charity is exposed have been identified and considered.

Future levels of income

The charity is reliant on donations to allow it to support the Trust and its plans for the future.

The Trustees mitigate the risk that income will fall by engaging with the Charity Fundraiser. Fundraising activity is regularly reviewed at the Charity Committee meetings to understand what worked well and what improvements may be needed.

Fall in investment returns

The most significant risk identified was a possible loss from a fall in the value of the investments and the level of reserves available to mitigate the impact of such losses. The charity committee review the investment returns at the quarterly meetings to ensure that both spending and financial commitments remain in line with available income.

An effective system of internal financial control is maintained and operated in connection with the charitable funds as the Charity is managed under the Governance and internal controls that are in place for The Dudley Group NHS Foundation Trust. The current system of internal financial control provides reasonable assurance of the safeguarding of assets, the maintenance of proper accounting records and the reliability of financial information.

WORKING IN PARTNERSHIP FOR PUBLIC BENEFIT

The Dudley Group NHS Foundation Trust is the main beneficiary of the Charity and is a related party by virtue of being Corporate Trustee of the Charity. The charities objectives are for any charitable purpose or purposes relating to the National Health Service, wholly or mainly for the service provided by The Dudley Group NHS Foundation Trust. The strategy of the Charity is to work in partnership with the Trust, ensuring the funds are used to best effect, by deciding upon the most beneficial way to use charitable funds with regard to the main activities, objectives, strategies and plans of the Trust.

Our mission statement is to enhance and further improve the high quality services provided by the Trust, providing additional comfort and benefit to its patients and staff, by focusing fund expenditure on areas not covered or fully supported by NHS funds.

The charity fundraiser continues to forge strong relationships with members of staff of the hospital and community donors and fundraisers. Without the support and co-operation of the wider community the effective contribution to the Trust would be much diminished.

In accordance with the objectives and strategy of the Charity, the Financial Services Manager and the Treasury Manager regularly liaise with Ward Managers and Department Heads to encourage the spending of their funds in accordance with the donor's wishes; by supporting research and procedures within the National Health Service, supporting capital developments and the purchase of medical equipment, provide training and development activities for clinical and other staff, to ensure public benefit.

The Leukaemia Appeal Fund, a separately registered Charity raises money specifically for the Georgina Unit at Russells Hall Hospital.

The Trust's Volunteer Service, managed by the Volunteer Co-ordinator, Jane Fleetwood provides a valuable service to patients, visitors and staff. For more information call 01384 456111 ext. 3420 or email jane.fleetwood@nhs.net

The Dudley Clinical Education Centre promotes and advances the study of science and medicine by supporting the professional education and development of Trust & Community staff and associated healthcare professionals. It supports key patients who are committed to further development of staff, by assisting in the training which empowers their contribution to specialist teams to improve the quality of care for all patients. ANNUAL REVIEW: OUR OBJECTIVES AND ACTIVITIES

The key aim of the Trustees to provide public benefit is by helping patients, relatives, visitors and staff by:

- Funding medical research to understand the conditions affecting our patients so that we can help develop cures and therapies in the future.
- Enhance the care the Trust can offer through the purchase of new equipment and building improvements to deliver better facilities.
- Invest in staff to create a caring environment and improved treatment for our patients, families and visitors.
- Provide direct support to patients by way of information, networking support and better facilities.

The charity currently has four main appeals:

Dementia Appeal

Patients with dementia need to feel respected and valued for who they are now, as well as in the past. We aim to raise awareness, to help prepare and provide understanding for patients and families to face the challenges of the future.

Children's Appeal

Helps to provide a comfortable, reassuring environment for the children in our hospital and their families, by providing a reassuring base during their care and treatment.

Rehabilitation Appeal

Rehabilitation restores both health and well-being by supporting our patient's journey back to recovery. It helps patients work towards a better quality of life, managing pain, learning to walk or adjusting to a new way of life.

Cancer

Caring for the patient and their family adds comfort and care for our cancer patient, encompassing the well-being of patients, families and carers.

During the year, the funds continued to support a wide range of charitable and health related activities benefiting both patients and staff. Charitable funds were used to purchase much needed medical equipment, such as:

- Vital signs monitors for various wards
- Nebulisers
- Digital Reminiscence Technology for dementia patients for various wards
- Cube birthing couches for Maternity Unit
- Ultralow beds for various wards
- Bladder Scanners for the Community Nurses
- Vein finder machine for Coronary Care Unit
- Wheelchairs

The hospital wards receive many charitable fund donations. These are often used to benefit the staff and the patients, such as:

- Leaflets providing specific ward information to patients & visitors
- Patient high back & stacking chairs in various wards & departments
- Patient over bed tables for various wards
- Fans for use in various wards
- DAB radios and TVs for various wards and dementia patients
- Patient paging systems for Outpatients department
- Dementia & Alzheimer clocks for various wards and departments
- Portable privacy screens for Critical Care Unit
- LED skylights for various wards
- Light weight scales for Community Nurses
- Outdoor toys for the children's sensory garden

The charitable funds also enable consultants, medical staff, nurses and allied health professionals to attend additional courses which will update them on the new ideas and modern techniques in their specialties.

These activities enable the Trustee to meet its strategic priorities of supporting the work of the Trust. The Trustee's review of future plans and strategic objectives have also been infused with the need to demonstrate public benefit and by the guidance issued by the Charity Commission.

The Trust Volunteer Service continues to provide support to patients, visitors and staff with duties such as ward/clinic hostess services, way finding, helpdesk assistance and chaplaincy.

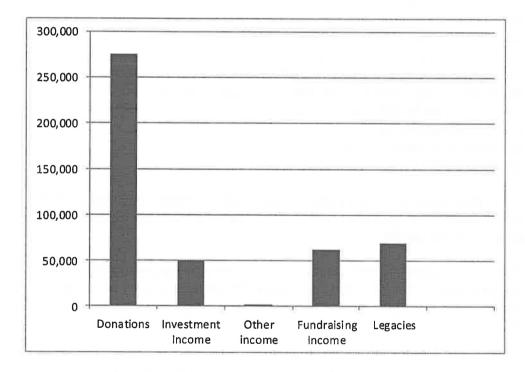

The charitable funds have received legacies this year totalling £69,000. There were two significant legacies, one was for £17,000 for the benefit of Rehabilitation services, and the other for \pounds 50,000 was for the benefit of the Stroke Unit. The two remaining smaller legacies totalled £2,000.

A Review of our Finances

The total value of the Charitable Funds as at 31 March 2018 was £2,005,000 (2016/17: $\pounds 2,388,000$). A decrease in the overall fund value of £383,000 was due to spending in line with donor's wishes and the Charity commission guidelines.

The Charity continues to rely on donations, legacies and investment income as the main sources of income. Donations from individuals have decreased by £24,000; donations in memoriam have decreased by £14,000 and; donations via the Just Giving website have decreased by £1,000. Legacies have increased by £51,000.

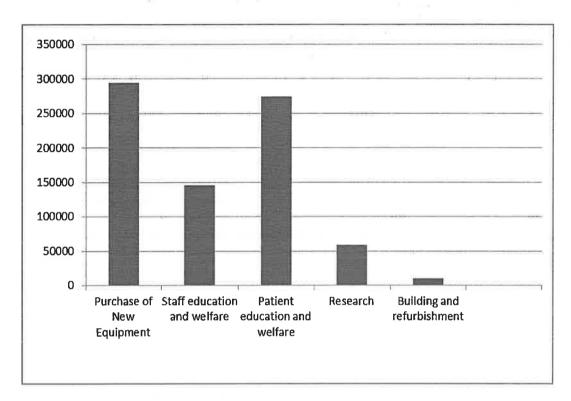

Investment Income increased slightly by £1,000 but due to the increase in expenditure, funds were withdrawn from Santander Corporate Bank reducing the investment balance held, therefore future investment interest is likely to diminish.

Where our money comes from

What we spent the money on

Of the total expenditure of £846,000 (2016/17 £625,000), expenditure on direct charitable activity was £785,000 (2016/17 £561,000) across a range of funds. Expenditure on raising funds was £61,000 (2016/17 £64,000) a reduction on last year.

Purchase of new equipment

The total amount spent was £295,000 (2016/17 £264,000) representing a vital and valuable contribution to enhancing the provision of clinical care. Purchases range from small items of equipment costing a few hundred pounds, to larger items costing thousands of pounds.

Staff education and welfare

Annual expenditure was £146,000 (2016/17 £106,000) of which £55,000 (2016/17 £52,000) was spent on external educational courses. An additional sum of £6,000 (2016/17 £8,000) was spent on travel expenses to allow attendance of these courses. A total of £85,000 (2016/17 £46,000) was spent on staff welfare, for example educational material such as medical books and journals, educational prizes and awards and non-medical equipment for the wards.

Patient education and welfare

Annual expenditure of £274,000 (2016/17 £121,000) included the purchase of furniture of £111,000 (2016/17 £35,000), for ward areas.

The sum of £7,000 (2016/17 £15,000) was spent in respect of patients and patient relatives information and education.

Other patient expenditure of £156,000 (2016/17 £71,000) includes items which help make the patient's stay in hospital more comfortable, such as gifts at Christmas, audio and TV equipment. Wheelchairs were purchased from the Big Push Campaign which raised £31,000.

Research

The sum of £59,000 (2016/17 £47,000) was spent on research projects. There are currently two research programmes which provide financial support for breast cancer research and rheumatology research with our University partners, Birmingham University, Aston University and University of Manchester, providing research support for PhD students, in this important work.

EXPENDITURE POLICY

The Dudley Group General Fund receives donations and legacies where no particular preference as to its expenditure has been expressed by donors. Applications are received from various departments within the Hospital and the Community to purchase medical equipment or items which will improve and benefit the patients and staff at the Trust. Based on their knowledge of the Hospital, the Charitable Funds Committee agrees funding and encourages spending of the charity funds. Funding is provided to areas of the Trust that do not have available Designated Funds.

The Designated Funds are overseen by Clinical Directors, Clinical Service Leads and Matrons who can make recommendations on how to spend the money within their designated area. The recommendations are generally accepted and these funds can be spent at any time.

The restricted funds are those where the donor has provided for the donation to be spent for a particular charitable purpose or where legal restrictions have been imposed by the donor at the time their donation was made.

RESERVES POLICY

The reserves policy is incorporated within the Charity Investment Policy. This policy ensures that income not required for immediate use is invested to earn interest, whilst ensuring that money identified to meet expenditure plans is available as required.

The ratio of reserves held in the short term investment deposit fund is appropriate to the advice received by the external investment managers, based upon current commitment levels of known planned expenditure in the next financial year.

A review of the investment portfolio is undertaken by the Charity Funds Committee which includes the level of reserves held, on a quarterly basis.

The total value of the funds held at 31 March 2018 in the COIF Charities deposit fund is nil as the fund was closed December 2017; the Santander Corporate and Commercial Banking investment totals £500,000 with the balance of £214,000 held in the Government Banking Services Account. It is appropriate that the reserves remain at a level which will permit the timely realisation of long term investments, if required. Therefore the minimum reserve level is maintained at £300,000 and based upon current known commitments for future charitable expenditure and the funding required for the next financial year for financial services which maintain the financial aspect of the charity and the charity fundraiser.

The reserve level will be achieved by reinvesting income received from the investment portfolio and the excess of funds held in the Charitable Funds Government Banking Services account.

PERFORMANCE MANAGEMENT

 $j(y) = -y = -1 x^{-1} x^{-1} x^{-1}$

The Charity requires the Clinical Directors, Clinical Service Leads and Matrons for each fund to provide expenditure plans for a one to three year programme. This is requested annually and plans are regularly reviewed and reported to the Charitable Funds Committee.

The role of the Clinical Directors, Clinical Service Leads and Matrons as charity fund budget managers is supported by the Charity Fundraising Co-ordinator.

INVESTMENTS

At the year-end, the sum of £1,316,000 (2016/17 £1,311,000) was held with BlackRock Investment Management Limited in Charishare Excluding Tobacco and Charinco. The COIF Charities deposit fund held a balance of £nil (2016/17 £128,000) and was closed in December 2017.

The charity's long term investments which mainly consist of UK equities have increased in value by a total of £5,000 during the year 2017/18.

The Trustee seeks to balance 'Ethical and socially responsible investment' and risk. Therefore, investment in companies engaged in the manufacture of tobacco products is not permitted.

The investment policy requires that all monies, apart from working capital, be invested in securities to maximise the overall return consistent with an acceptable level of risk. Fund Managers are appointed for an initial three year period and the tendering process follows the NHS Trust's regulations and ensures that the requirements of the Trustee Act 2000 are met.

The performance of the investments is continuously monitored and reported on a quarterly basis by BlackRock Investment Management Limited. The reports are disseminated to the Charitable Funds Committee at the scheduled quarterly meetings.

FUTURE PLANS

The charity will work with the Trust to equip NHS staff with the skills they need to enhance patient treatment and provide financial support for research in Breast cancer research and Rheumatology research.

The charity will continue to provide additional equipment so that the service provided for patients and staff is enhanced.

The charity will also provide for other non-medical equipment which enhances the patients time when using the Trust facilities.

Future plans can be influenced by available resources with the Trust budgets, in that the resources required to maintain equipment purchases may exceed the benefit in obtaining the new equipment. The Trust has a policy for the purchase of equipment in that new purchases are consistent with equipment already in use, so that training can be consistent Trust wide for all staff.

Funds Held On Trust Financial Statements 2017/18

Foreword

Statement of trustees' responsibilities

The trustee are responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustee to prepare financial statements for each financial year. Under that law the trustee have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under that law the trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is • inappropriate to presume that the charitable company will continue in business.

The trustee are responsible for keeping accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustee are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditors' report to the trustees of Dudley Group NHS Foundation Trust Charity

Report on the audit of the financial statements

Opinion

In our opinion Dudley Group NHS Foundation Trust Charity's financial statements (the financial statements"):

- give a true and fair view of the state of the charity's affairs as at 31 March 2018 and of its incoming resources and application of resources, and cash flows, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of section 144 of the Charities Act 2011 and Regulation 8 of The Charities (Accounts and Reports) Regulations 2008).

We have audited the financial statements, included within the Trustee's Annual Report (the "Annual Report"), which comprise: the balance sheet as at 31 March 2018; the income statement, cash flow statement; and the notes to the financial statements.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees' have not disclosed in the financial statements any identified material uncertainties that may cast
 significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a
 period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the charity's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Trustec's Annual Report other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Trustees' Report

Under the Charities Act 2011 we are required to report to you if, in our opinion the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Responsibilities of the Trustees for the financial statements

As explained more fully in the Statement of trustee's responsibilities set out on page 1, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the charity's trustees as a body in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act (Regulation 27 of The Charities (Accounts and Reports) Regulations 2008) and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Charities Act 2011 exception reporting

Under the Charities Act 2011 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- sufficient accounting records have not been kept; or

the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.
